## Homework #3

Note: Draw free body diagrams for each problem, show all work, label important points and their locations on the shear and moment diagrams

## Problem 1

- a) Determine the shear and moment throughout the beam as a function of x
- **b**) Draw the shear and moment diagram for the beam

## Problem 2

- **a**) Determine the shear and moment throughout the frame as a function of x
- **b**) Draw the shear and moment diagram for the frame
