

"Headed for Boston"
John Marin

Headed for Boston - for sure
Why?
Don't ask - answer I can't.
But be vague.
yes, there are views
and views to top views
and lunches to top, walks, talks
on the swans a soft word
Walks
in the sky.
Not a cloud but peace
Greeting smiles
subtly fulfill
a drive to the port
in the air
Parting ...

Most is unsaid,
It's a meeting.
