

*couple by candle light*  
*Marc Chagall*

*It seems as if she is sacred.*

*The theme:*  
*one leaves*  
*with a challenge to know*  
*sacredly;*  
*Beauty to dream.*

*A theme:*  
*Even each day a sun rises*  
*To worship*  
*the God*  
*filled with light-*  
*Mayan calendar's blaze.*

*A theme:*  
*What's before is what sacred remains*  
*on return*  
*a bouquet, over all*  
*that kiss,*  
*in the hug*  
*a candle to light*  
*a return.*

*The theme:*  
*What is sacred remains*  
*eternal*  
*Returned*  
*Untouched*  
*eternity.*

*sacred she is.*
